Thalia M. Mulvihill, Ph.D., works as a Professor of Higher Education and Social Foundations in the Department of Educational Leadership at Ball State University. Dr. Mulvihill is a historian and sociologist of higher education. She teaches several qualitative research methods and academic writing courses for doctoral students and has authored eight books as well as over 90 refereed publications, co-edits The Teacher Educator journal, and is the recipient of numerous teaching, research, and mentoring awards.

Raji Swaminathan, Ph.D., is a Professor in the Department of Educational Policy & Community Studies in the School of Education at the University of Wisconsin-Milwaukee. Dr. Swaminathan’s research and teaching interests span innovative methods in qualitative research, urban education and international alternative education. She conducts professional development for teachers in alternative schools internationally. She has authored seven books and has been the recipient of several teaching and research awards.
